

New Item from Bee My Honey Apiary Propolis Throat Spray

Many of you had requested a propolis throat spray. We have tested several delivery methods and found this to be the best. Our throat spray comes in a 1oz glass bottle and contains non GMO vegetable glycerin, distilled water and our propolis tincture. This combination is very soothing and pleasant on your throat. Propolis has proven antibiotic and antiseptic properties and also antiviral and anti-inflammatory effects. Our 1oz bottle is convenient for travel and home use.
